Ms. Crisostomo,

The County of Riverside has enjoyed its tenancy with BH Properties throughout the years and the County continues to strive to do its best to keep its "A" rating tenant status throughout the County. The County of Riverside is looking forward to a continued favorable landlord tenant relationship, and trust that you will assist us and work together in a joint effort to keep the economy moving forward in these difficult and challenging economic times.

Please feel free to call me directly at 951.955.8409, or via email at CCampos@RC-Facilities.org. Thank you.

Sincerely,

Cindy M. Campos, Real Property Agent
